Elaine,

Based on our current load in the graphics department, we should have the VOC cross-sections ready to deliver next week. Please let me know if you have any additional questions.

Thanks

Mike

Make,

Can you provide a date for when you'll have the VOC cross sections available?

Thanks,

Elaine

Steve and Mike-

DEP has scheduled 2 meetings to discuss the Aerovox Phase III Report. A meeting with EPA and DEP only is scheduled for Thursday December 1st 10-12. A meeting of DEP, EPA, AVX and City of NB will be held Thursday December 8th 10-1. Please plan to join us for these meetings.

Elaine-

Do you think we will have cross-sections of the Aerovox shoreline, inclusive of the updated 2015 and 2016 data, to share for discussion at the December 1st meeting with DEP (and possibly the December 8th meeting as well)?
